**ELECTION AND RESPONSE TO RESTRICTION  
REQUIREMENT OF OFFICE ACTION NO. 1**

In response to the restriction requirement set forth in the Office Action of March 19, 2003, Applicant hereby elects 5 $\alpha$ -androst-1-ene-3,17 $\beta$ -diol 1,17 $\beta$ -di(alkylcarbonate), and as a species thereof, 5 $\alpha$ -androst-1-ene-3,17 $\beta$ -diol 1,17 $\beta$ -di(ethylcarbonate).

Applicant respectfully submits that claims 1, 2, 6, 7, 18-26, 30, 31, and 42-56 read on the elected species. Further, claims 1 and 24 are generic to all pending claims. Upon allowance of these and/or other generic claims, rejoinder in this application of claims covering non-elected species is respectfully requested.

Applicant respectfully submits that the grounds for the restriction are unclear and are not sufficiently explained. Applicant reserves the right to revisit

the propriety of the restriction requirement, and to challenge any assertions or suggestions made in it, including but not limited to any assertions of the obviousness of any claimed species over another, to the extent clarification is provided by the examiner during prosecution on the merits.

---

It is the understanding of the undersigned that no fees are due for the submission of this document. If fees are due with respect to it, or if any other fees are due in connection with the prosecution of this application, please charge the fees to our Deposit Account No. 501324.

Early and favorable action on the merits is respectfully requested.

Dated: April 18, 2003

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Stephen T. Sullivan", written in a cursive style.
